

Trinity Western University seeks to provide excellent student supervision. This questionnaire gives students the opportunity to report their experience **anonymously**. While the Graduate Studies Coordinator will be privy to the information below, the Student Information will not be shared with third parties (the student’s program, supervisor, or university administration outside of the Office of Graduate Studies). If there is a need to address an undesirable matter directly, the student will be contacted first for consent. The Questionnaire ratings will be used in summary with all other collected questionnaires from the academic year, as part of an annual reporting to evaluate overall supervision and what areas may require additional support.

Students will submit this questionnaire to GradStudies@twu.ca from their student email (@mytwu.ca).
