NOTES: _____

➤ **NOTE:** A total of 30 s.h. of credit is required for graduation. To graduate, all course work (including any directed studies) and thesis must be complete, with a minimum overall (cumulative) GPA of 3.00. Courses for which the final grade falls below a B- will not be counted towards graduation.

➤ **NOTE:** In order to be considered eligible for graduation you must fill in an Application for Graduation Form and return it to Enrolment Services by July 15 in the year of your completion (there is no fee to apply for graduation). When you have handed in your Application for Graduation, Enrolment Services will complete a graduation audit for you. The audit is performed to determine whether any courses remain outstanding towards completion of your degree.
