Undergraduate Admissions

Trinity Western University desires to provide, for people of any race, colour, or creed, university education in the arts and sciences with an integrated Christian worldview.

Each applicant should be acquainted with the aims, objectives, regulations, and standards of conduct at Trinity Western University as outlined in the application materials, the Academic Calendar, Student Handbook, and University web site. In making formal application for admission, the applicant agrees to respect these aims and objectives and to adhere to these regulations and standards of conduct.

The University reserves the right to grant, deny, or revoke the admission of any applicant or student on the basis of his or her inability to fully commit to and comply with the University's Responsibilities of Membership and/or policies and guidelines of the University. Further, the University reserves the right to grant or deny admission to any applicant on the basis of criteria outlined below. Limitation of facilities, personnel, or other considerations may also place restrictions on admission to the University and/or specific programs.

Application Deadlines

Fall Semester (2008)

Priority Acceptance deadline – February 28

Financial Aid priority application deadline – February 28

Application deadline for Nursing – February 28 (Applications may be accepted after this date subject to space availability.)

Application deadline for Aviation – April 30

On-campus housing application deadline – June 1 (Applications may be accepted after this date subject to space availability.)

Refund deadline for fall deposits (residence or commuter) – June 1

Application deadline – June 15 (applications will be considered after June 15, subject to availability).

Spring Semester (2009)

On-campus housing application deadline – November 15

Refund deadline for spring deposits (residence or commuter) – November 15

Application deadline – December 1 (applications will be considered after December 1, subject to availability).

Students must submit a completed application including all official transcripts and the \$40 application fee (application fee waived for students from Canada and United States, if completed online at www.twu.ca/apply) before an admissions decision is made. Students from outside North America must submit an application fee of \$200 before an admissions decision can be made.

Students must submit both the completed application for admission and the application for Financial Aid by February 28 and be admissible to the University to be eligible to receive financial aid.

Visiting Campus

A campus visit program is available throughout the week to provide prospective students with the most realistic exposure to a TWU education. Students are encouraged to attend one of the scheduled Preview Weekends, Preview Days, or arrange a personal visit. To learn more about visiting TWU, or to register for a visit, go to www.twu.ca/undergraduate/visit or email visit@twu.ca.

Academic Success

For academic success at Trinity Western University, students should consider taking the appropriate background courses for their intended major, or admission to the program may be deferred. Contact the Admissions Office for more information: 604.513.2019, toll free at 1.888.GO.TO.TWU (468.6898), admissions@twu.ca, or www.twu.ca/undergraduate.

A C+ average (67 per cent) or higher in high school course work is required for admission to TWU (except for the Nursing program). Consideration is also given to the student's character and career goals. Applicants who fail to meet normal academic requirements are assessed individually on their potential for success in university studies. Additional conditions may be prescribed which must be fulfilled if admission is granted.

To help ensure that students have the necessary writing skills to be successful in their academic studies, the University offers a Writing 100 course that is either a required course in a student's first semester of full-time study* at TWU or optional, based on their demonstrated English proficiency. Students who meet at least one of the following criteria are not required to take Writing 100:

- Canadian students: 73 per cent (B) in Grade 12 English and 67 per cent on provincial exam (if applicable in home province);
- U.S. students: 600 on Writing portion of SAT or 25 on English portion of ACT;
- International students: 73 per cent in the equivalent of BC English 12 and a minimum grade of 67 per cent on a standardized examination (if applicable). International students must also meet language proficiency standards outlined in the International Students section of this Calendar. Students entering an undergraduate program after completing Level 5 through ESLI take English 101 instead of Writing 100;
- Transfer students: 73 per cent (B) in a post-secondary English course;
- Score of 5 on essay component of Language Proficiency Index (LPI). LPI must be written and scored prior to starting first semester at TWU. Visit www.lpi.ubc.ca for information on test times and locations.

*or upon completing 26 semester hours of part-time study.

Canadian Students

British Columbia

Graduation from a British Columbia secondary (high) school or equivalent with a university preparatory program. This must include English 12 plus three additional Grade 12 academic subjects

(choose from the list below) at a minimum overall average of 67 per cent. A minimum grade of 60 per cent or better is expected on the provincial examination portion of BC English 12. A maximum of two non-provincially examined courses may be used towards entrance requirements (e.g., Bible and/or Comparative Civilization). When a provincial exam is available, students must write the exam for the course to be considered.

Three Grade 12 academic subjects must be selected from this list (in addition to English 12):

- Biology
- Calculus
- Chemistry
- Comparative Civilization (not accepted for students admitted after the 2008/2009 school year)
- English Literature
- Foreign Languages
- French
- Geography
- Geology
- History
- Physics
- Principles of Mathematics
- Bible 12 or an equivalent course may be considered as an academic subject for students graduating from a Christian (Protestant or Catholic) school which uses the regular B.C. curriculum. (For students admitted after the 2008/2009 school year, Bible 12 or an equivalent may be used as part of the admission decision, but it will not count toward the four required academic subjects.)
- Advanced placement courses (except Art or Music)
- International Baccalaureate courses (except Art, Business, or Music)

Alberta, Northwest Territories, and Nunavut

Graduation from a secondary (high) school or equivalent with a university preparatory program. This must include English 30 plus three additional academic 30 level subjects with an average of 65 per cent from the following list:

- Aboriginal Studies 30
- Algebra 30
- AP Courses (except Art or Music)
- Applied Math 30
- Biology 30
- Chemistry 30
- Foreign Languages at the 30 level
- Math 30
- Math 31
- Physics 30
- Pure Math 30
- Science 30
- Social Studies 30
- Bible/Religious Studies 30 (For students admitted after the 2008/2009 school year, Bible/Religious Studies or an equivalent may be used as part of the admission decision, but it will not count toward the four required academic subjects.)

Saskatchewan

Graduation from a secondary (high) school or equivalent with a university preparatory program.

This must include English A30 plus three additional academic 30 level subjects with an average of 65 per cent from the following list:

- Algebra 30
- AP Courses (except Art or Music)
- Biology 30
- Biology 30 CORE
- Calculus 30
- Chemistry 30
- Cree 30
- French 30
- Geography 30
- Geology 30
- Geometry-Trigonometry 30
- History 30
- Math 30
- Math A30
- Math B30
- Math C30
- Native Studies 30
- Physics 30
- Social Studies 30
- Christian Ethics 30 (For students admitted after the 2008/2009 school year, Christian Ethics 30 or an equivalent may be used as part of the admission decision, but it will not count toward the four required academic subjects.)

Manitoba

Graduation from a secondary (high) school or equivalent with a university preparatory program. This must include English 40S plus three additional academic 40 level subjects with an average of 65 per cent from the following list:

- Applied Math 40S
- AP Courses (except Art or Music)
- Biology 40S
- Chemistry 40S
- French 40S
- Geography 40S
- History 40S
- Math 40S
- Physical Science 40S
- Physics 40S
- Pre-Calculus Math 40S
- Western Civilization 40S
- World Geography 40S
- World Issues 40S
- Bible/Religious Studies 40 (For students admitted after the 2008/2009 school year, Bible/Religious Studies 40 or an equivalent may be used as part of the admission decision, but it will not count toward the four required academic subjects.)

Ontario

Old Curriculum:
Completion of the Ontario Secondary School Diploma (OSSD) including a minimum of six Ontario academic courses (OACs), one of which must be English, with a minimum of 65 per cent overall average in OACs.

Consideration for admission is given to students who have completed the OSSD with four OACs (including English) where a minimum of 70

per cent overall has been achieved.

New Curriculum:

Students graduating from the new Ontario High School curriculum must meet the following requirements: successful completion of an Ontario Secondary School Diploma (OSSD), or equivalent, with an overall minimum average of 65 per cent in six Grade 12 U or M courses, one of which must be Grade 12 U English. In addition to English, normally three courses must be from the following areas:

Geography:

Canadian and World Issues:

A Geographic Analysis (CGW4U)

World Geography: Human Patterns and Interactions (CGU4U)

The Environment and Resource Management (CGR4M)

Geomatics: Geotechnologies in Action (CGO4M)

History:

Canada: History, Identity, and Culture (CGI4U)

World History: The West and the World (CGY4U)

Politics:

Canadian and World Politics (CPW4U)

Analyzing Current Economic Issues (CIA4U)

Canadian and International Law (CLN4U)

English:

English (ENG4U)

Studies in Literature (ETS4U)

The Writer's Craft (EWC4U)

Languages:

Any Foreign Language at the U level

Math:

Geometry and Discrete Mathematics (MGA4U)

Advanced Functions and Introductory Calculus (MCB4U)

Mathematics and Data Management (MDM4U)

Native Studies:

Issues of Indigenous Peoples in a Global Context (NDW4M)

Aboriginal Governance: Emerging Directions (NDG4M)

Science:

Science 12 (SNC4M)

Biology (SBI4U)

Chemistry (SCH4U)

Earth and Space Science (SES4U)

Physics (SPH4U)

Philosophy:

Philosophy: Questions and Theories (HZT4U)

Religion:

Religious Education (HRE4M) (For students admitted after the 2008/2009 school year, HRE4M or an equivalent may be used as part of the admission decision, but it will not count toward the four required academic subjects.)

Quebec

Successful completion of the first year of a CEGEP program including academic subjects with a 60 per cent average. Students who have completed a two-year CEGEP program may be eligible for transfer credit to a maximum of 30 sem. hrs. A minimum

grade of 65 per cent must be achieved for a course to be considered for transfer credit.

New Brunswick

Graduation from an accredited high school with a minimum average of 65 per cent in English 122, plus three other academic subjects from the following list:

Adv. Math 120

Adv. Math 122

American History 120

AP courses (except Art or Music)

Biology 122

Calculus 120

Canadian Geography 120

Canadian History 121 or 122

Canadian Literature 120

Chemistry 122

French 121, 122

Mathematics 121 or 122

Modern European History 120

Native Studies 120

Physics 122

Political Science 120

20th Century Literature

Nova Scotia

Graduation from an accredited high school with a minimum average of 65 per cent in English 12 plus three other academic Grade 12 subjects from the following list:

AP courses (except Art or Music)

Biology 12 (441, 541)

Canadian Literature 12

Canadian Geology 12

Chemistry 12 (441, 541)

Etude Plan. Geog 12

Foreign Languages 12

Geography 12

Global Geography 12

Global History 12

History 12

Math 12 (441, 541)

Math Pre-Cal (MPC) 12

Physics 12 (441, 541)

Political Science 12

Sociology 12

Prince Edward Island

Successful completion of Grade 12 examinations in a university preparatory program with an overall average of 65 per cent. Program must include English 621 plus three other academic subjects from the following list:

AP courses (except Art or Music)

Biology 621

Chemistry 621

French 621

Geography 621

History 621

Mathematics 611 or 621

Oceanography 621

Physics 621

Newfoundland and Labrador

Graduation from an accredited high school with Language 3101 plus three other academic 3000 level subjects with a minimum average of 65 per cent from the following list:

AP courses (except Art or Music,)

- Biology 3201
- Biologie 3231
- Chemistry 3202
- Chimie 3252
- French (core) 3201
- French (accel) 3203
- French (immer) 3202
- Français (1st lang) 3230
- Geographie 3232
- Global Issues 3205
- History 3201
- Histoire Mondiale 3231
- Literary Heritage 3202
- Thematic Lit 3201
- Math (acad) 3200
- Math (adv) 3201, 3204, 3205, or 3207
- Physics 3204
- Physique 3254
- World Geography 3202

IB Diploma

Students who are in the process of completing the International Baccalaureate Diploma can be considered for admission to the University based on their predicted grades. Students' predicted grades will be converted to a percentage based on the chart below. TWU requires that the student submit the following items, signed, stamped, and sealed by their high school counsellor:

- the Anticipated IB Grades Form (available at go.twu.ca)
- an official high school transcript showing courses completed and grades attained for Grades 9 to 11
- an official interim high school transcript that shows all other courses in progress (including IB courses).

In addition, upon completion of the IB Diploma, a final transcript will be required for a final offer of admission and assessment of university credit for the IB Diploma courses.

IB Certificate Courses

For students completing one or more Certificate courses, they will be evaluated for admission based on their interim high school and IB Certificate grades. Predicted grades must be submitted in the same manner as those students completing the IB Diploma (see above). Students' predicted grades will be converted to a percentage based on the chart below.

University Credit for IB Diploma and Certificate Courses

Advanced credit of up to 18 sem. hrs. at Trinity Western University will be granted for higher level International Baccalaureate courses earning a minimum grade of 4. An IB transcript is required to make this assessment. A transfer guide of IB courses to TWU is available at www.bccat.bc.ca.

Assessment of IB Predicted Grades

IB predicted grades will be assessed based on the following conversion chart.

IB Certificate Converted to Percentage	
7	96 per cent
6	90 per cent
5-	86 per cent
4	76 per cent
3	70 per cent
2	64 per cent

Advanced Placement

Trinity Western University will grant high school graduates credit for Advanced Placement courses in which a minimum grade of 4 (on a scale of 1 to 5 with 5 the highest) has been achieved. Transfer credit will be based on courses approved for first year or equivalent course credit by the Faculty(ies) concerned. An Advanced Placement grade report is required to make this assessment. A transfer guide of AP courses to TWU is available at www.bccat.bc.ca/otg/ap/index.html.

Unaccredited High Schools

Students graduating from unaccredited high schools are considered for admission on academic trial and may be required to meet additional conditions before being granted admission to Trinity Western University. Graduates of the Accelerated Christian Education program are considered for regular admission if they graduate from a Model Status school with the college preparation program and submit an acceptable SAT or ACT score (please see SAT and/or ACT details in the U.S. Students section).

Homeschool Policy

Students who complete their secondary education through homeschooling must complete the regular application for admission and the Homeschool Education Background Chart (both are available from the Admissions Office or at <http://go.twu.ca>). They must also submit official SAT or ACT scores. For information about these tests, students should contact: SAT at 609.771.7600 or www.collegeboard.org; ACT at 319.337.1448. Scores may be sent directly to Trinity Western Admissions by using the following code numbers: SAT – 0876; ACT – 5242 (please see SAT and/or ACT details in the U.S. Students section).

General Education Development (GED)

Students who do not complete a regular provincial high school diploma may complete a Test of General Education Development as an alternative to high school graduation. Admission to Trinity Western will be granted providing a standard score average of 500 is achieved with a minimum of 450 in any of the five individual tests. Eligibility to complete the GED may vary from province to province. Students are encouraged to contact their local school board for more information.

B.C. Adult Graduation Diploma (BCAGD)

Applicants who have completed the Adult Graduation diploma must be at least 19 years old and have completed the diploma with four provincial level academic courses, one of which must be English. A minimum average of 67 per cent is required in these courses.

U.S. Students

To ensure success at university, applicants should have graduated from an accredited high school and have the following units in their college preparation course work:

English	4
Mathematics	3
Social Sciences	2
Science	2 (with one lab science)
Other college prep	2

It is recommended that a minimum of six solid subjects be completed in the applicant's junior and senior years, including a minimum of three solids in the senior year.

Admission is based upon a combination of the application, the applicant's GPA in the above course work, and satisfactory standardized test scores. A minimum GPA of 2.5 in these courses with a combined SAT score of 1590 (1060 on old 2 section SAT) or an ACT score of 22 meets the minimum admission requirement. Scores should be sent directly to Trinity Western Admissions by using the following code numbers: SAT – 0876; ACT – 5242. For information on the new SAT requirements, contact the Admissions Office.

Students studying U.S. curriculum outside the United States are expected to meet the same criteria.

Advanced Placement and International Baccalaureate

Please see details under Canadian Students section.

General Education Development

Students who do not earn a regular high school diploma may complete a Test of General Education Development as an alternative to high school graduation. Admission to Trinity Western will be granted providing that a standard score average of 500 is achieved with a minimum of 450 in any of the five individual tests. Students who are under 19 must submit a SAT or an ACT score report in addition to the completion of the GED. A minimum of 1590 on the SAT (1060 on old 2 section SAT) and 22 on the ACT is required for admission.

Immigration Requirements

United States citizens and legal residents thereof are allowed to apply for student visas at a Canadian port of entry. A student must be in possession of

- 1) an official letter of acceptance from Trinity Western University;
- 2) have evidence of sufficient funds for all tuition and accommodation expenses;
- 3) be in good health and of good character;
- 4) and have either identification establishing his or her U.S. citizenship or a U.S. alien resident card.

A processing fee (\$125 Cdn. cash) will be collected at the port of entry. Students should contact the nearest Canadian embassy or consulate regarding questions about required documentation.

International Students

Requirements for international students include:

- A. English language proficiency (see English Proficiency Requirement below)
- B. General Certificate of Education standing in five subjects of which at least two must be taken at the Advanced level.

Students may be eligible for 3 sem. hrs. of credit for each Advanced level course completed to a maximum of 12 sem. hrs. provided that a minimum grade of C is achieved in that course. Departments will determine if credit awarded is general or course specific.

The following equivalents will be considered:

1. School Certificate: same as GCE with at least two passes at the principal level of the Higher School Certificate
2. Certificate of matriculation from recognized universities
3. International Baccalaureate with at least two subjects at the higher level
4. Other countries: write or email the Admissions Office for information.

Documents

Official supporting documentation must be submitted. Documents that cannot be replaced should be sent via registered mail.

English Proficiency Requirement

Applicants must possess proficiency in both oral and written academic English. Those applicants whose native language is not English are normally required to demonstrate this proficiency, regardless of their academic qualifications. TWU accepts official original results from TOEFL, IELTS, CAEL, and the ESL Proficiency exam. These results must be submitted at the time of application. Applicants may also complete the academic TWU/ESL program (see below - Academic ESL Requirements). Students must also complete ENGL 101 and one of ENGL 103 or 104 at Trinity Western University in their first year.

Proof of English language proficiency is required from all international students with the exception of natives of:

- Australia
- Ireland
- New Zealand
- United States
- United Kingdom
- Countries of the West Indies except Cuba, Dominican Republic, Haiti, Martinique, Netherlands Antilles, Puerto Rico, St. Lucia

In the case of those who are not native to these countries but who have studied at a high school or post-secondary level in one of them, proof of English language proficiency is still required if less than five years of study have been completed. In cases of five years or more, their completed application will be reviewed and the language requirement may be waived. Students must submit a letter of appeal requesting this requirement be waived. If it is waived, the student must normally complete ENGL 101 in his or her first semester.

TOEFL Requirements

Normally, regular admission requires a TOEFL score of at least 570 (230 computer-based, or 88 Internet-based) and a Test of Written English (TWE) score of at least 5. If the TWE score is less than 5, the student may be admitted to the University, but is required to write a Diagnostic Test for placement in the appropriate first year English course. The test is written during Orientation Week. Students who score at least 600 are not required to submit a TWE score. Students who are required to write the Diagnostic Test, but fail to do so during Orientation Week, are placed in English 099.

Students taking the iBT must achieve a minimum score of 21 in each of the four areas with a total overall score of 88.

For more information about TOEFL examinations, please contact:

*Educational Testing Service
Box 899
Princeton, New Jersey
USA 08541
Tel: 609.771.7100
Web site: www.toefl.org*

To send TOEFL results directly to Trinity Western University and to receive them more quickly, students should use code 0876.

IELTS Requirement

Trinity Western University will accept the International English Language Testing System (IELTS) score report as an alternative to TOEFL. A minimum score of 6.5 is required for admission. For more information on the IELTS test, visit www.ielts.org.

CAEL Requirement

Trinity Western University accepts the Canadian Academic English Language score as an alternative to the TOEFL or IELTS. A minimum score of 70 is required for admission, with no score lower than 60 for undergraduate admissions. For more information on the CAEL test, go to www.cael.ca.

ESL Proficiency Exam

Applicants who have not submitted a TOEFL, IELTS, or CAEL report may write an ESL Proficiency Exam through the ESLI department. Students who achieve 70 on the exam will be admitted to a regular undergraduate university program. Students who do not achieve the minimum score required for admission to a University program may study in the ESLI program until they have achieved the recommended standing. This exam is administered on the TWU campus. Students must first make full application to Trinity Western before they have the opportunity to write the Proficiency Exam.

Academic ESL Requirements

Students whose TOEFL, IELTS, or CAEL scores do not meet the minimum requirement but who qualify academically to attend TWU may seek entrance to the University through the English as a Second Language International (ESLI) program at Trinity Western. These students must register with ESLI and will be assessed regarding their English skills during Orientation, at which time they will be placed in the appropriate ESL level. Upon

completion of level 5, they may enrol in a degree program without a TOEFL, IELTS, or CAEL score. For more information, see Affiliate Institutions: ESLI Language Centre section in this Calendar.

International Transfer Credit Evaluations

Transfer credit from international schools must be assessed by an external international credit evaluation agency. All transcripts sent to an international credit evaluation agency must be official documentation. International evaluation reports that are based on unofficial transcripts will not be accepted for transfer credit. To avoid delays in receiving transfer credit, students should submit an international credit evaluation report during the admission process. The cost is determined by the agency. TWU recommends the International Credential Evaluation Service (ICES) through BCIT, a member of the Alliance of Credential Evaluation Services of Canada. This agency conducts evaluations for several B.C. universities. They may be contacted at www.bcit.ca/ices. Students are welcome to use World Education Services (WES), International Qualifications Assessment Services (IQAS), International Credentials Assessment Services, or any evaluation agency that is a member of the Alliance of Credential Services of Canada.

Immigration Requirements

International students need to apply for an entry visa and a study permit with the Canadian Embassy, High Commission, or Consulate in their own country. No person will be permitted to enter Canada as a student without presenting the required documents to immigration officials at the port of entry. Application for a visa and study permit should be made as early as possible to ensure sufficient time for processing. For more information, visit www.cic.gc.ca/english/study/index.html.

Transfer Students

Transfer students must present the same application forms and high school transcript as those applying for first year standing. In addition, an official transcript from each post-secondary institution attended must be submitted. Additional information such as course outlines/syllabi may be requested from the Admissions Office to assist in the evaluation. Students may find out what courses have been transferred from their college or university by visiting <http://go.twu.ca> to access TWU's Transfer credit database. Courses that cannot be found in the database will require an evaluation. Syllabi and/or course descriptions are required for the evaluation process. An official transfer credit assessment will be completed upon submission of a completed application.

Transfer students may be eligible for admission to the University upon completion of one semester of full-time studies (12 credits/hours or more) in a university transfer program. Admission will be based upon achievement in this post-secondary course work and previous college or high school work. A minimum cumulative GPA of 2.0 (C) is required on all course work. Students who have completed a minimum of 27 credits/hours of course work may be admitted solely on the basis of their performance in that course work. A high school transcript is still

required as part of the application as the Admissions Office requires a complete academic history of all students.

The University reserves the right to accept only such courses as comply with the academic standards established by TWU and with the requirements for graduation. See Graduation Requirements section in this Calendar.

The maximum number of semester hours accepted for transfer credit from various post-secondary institutions is 75. Individual maximums are as follows:

Universities and Community Colleges –

A maximum of 75 sem. hrs. transfer credit will be given for all acceptable courses with a passing grade (D and higher).

Note: Some required courses in Business, Education, and Nursing programs require a minimum letter grade above that of a pass. In cases where a lower grade than the minimum required is achieved, general elective credit will be granted and the course must be retaken at Trinity Western University to meet graduation requirements.

Bible colleges accredited with the Association for Biblical Higher Education (ABHE) –

A maximum of 60 sem. hrs. of appropriate courses of which a maximum of 24 sem. hrs. may be biblical studies and 36 sem. hrs. may be liberal arts courses. Transfer credit will be given for all acceptable courses completed with a C- grade (60 per cent) or higher.

Bible college courses that have been articulated with a public university may be assigned credit for these courses above the maximum totals indicated.

Applicants from Bible colleges with candidate status with the ABHE are eligible for a maximum of 48 sem. hrs. of appropriate courses of which 24 sem. hrs. may be biblical studies and 24 sem. hrs. may be liberal arts courses. Transfer credit will be given for all acceptable courses completed with a C- grade (60 per cent) or higher.

Applicants from Bible colleges not accredited with the Association for Biblical Higher Education (ABHE) should not expect to receive transfer credit for work completed at Bible college except by appeal and careful review by the University. (Such a review would normally include evaluation of course syllabus and instructor credentials.) No credit will be given for work completed in practical discipleship training programs.

Note: Due to teacher certification requirements, TWU's Teacher Education program can accept Bible college transfer credit only if the Bible college is a fully accredited member of the Association for Biblical Higher Education (ABHE) or is a member of a recognized regional college and university accreditation body. Students must still meet the normal Education degree and other TWU degree graduation requirements. Transfer credit from colleges with candidate or unaccredited status will not be accepted.

Institutes of Technology and Colleges of Applied Arts –

Courses will be considered on a course-by-course basis where a minimum grade of B- has been obtained. A maximum of 45 sem. hrs. of credit

will be awarded for such course work. Course outlines/syllabi are normally required to facilitate this process.

Note: Students transferring from BCIT may transfer up to 75 sem. hrs. of course work to TWU. Courses eligible for transfer must have equivalency and have a passing grade (no less than a D).

Transfer Credit Limits –

Students will be able to transfer upper level courses taken at other institutions subject to the following limits (Note: Any exceptions to the major, concentration, and minor upper level limits stipulated below must be recommended by the relevant Faculty or School Dean and approved by the Vice Provost. See the department concerned for further details):

1. Courses in student's major field: 24 to 27 upper level sem. hrs. are required; a maximum of 9 of these can be taken at institutions other than Trinity Western University.
2. Courses in student's field of concentration: 12 upper level sem. hrs. are required; a maximum of 6 of these can be taken at institutions other than Trinity Western University.
3. Courses in student's minor field: 9 to 12 upper level sem. hrs. are required; a maximum of 3 of these can be taken at institutions other than Trinity Western University.
4. Courses outside of student's major, concentration, or minor:
 - No limit to the transferability of appropriate upper level courses for elective credit, subject to the policies on (1) residency and (2) limits in major, concentration, or minor fields.
 - Notwithstanding the above, no Trinity Western University baccalaureate degree can be earned in a major (or general degree in minors) that the University does not offer.
 - A student may not declare a major, concentration, or minor in any field not offered as such by the University, e.g. engineering.
 - Students who have transferred to Trinity Western University from other post-secondary institutions with at least 57 sem. hrs. of transfer credit may be eligible for adjustment in the core requirements (see Graduation Requirements section.)

Block Transfer for British Columbia Associate of Arts or Science Degrees –

Trinity Western University guarantees 60 sem. hrs. of transfer credit to students who enter TWU with an Associate of Arts or Associate of Science degree that is awarded by a recognized college or university college in B.C. Students must still meet all 100 and 200 level course requirements for specific degree programs and this may require students to take more than 122 sem. hrs. to earn a Trinity Western degree. It is advised that transfer students plan their college course selection well in advance of transfer to TWU to help ensure courses meet graduation requirements. Courses for which no equivalent TWU course exists will be given unassigned credit at the lower level.

International Transfer Credit Evaluations –

Transfer credit from international schools must be assessed by an external international credit

evaluation agency. Please note that all transcripts sent to an international credit evaluation agency must be official documentation. International evaluation reports that are based on unofficial transcripts will not be accepted for transfer credit. To avoid delays in receiving transfer credit, students should submit an international credit evaluation report during the admission process. The cost is determined by the agency. TWU recommends the International Credential Evaluation Service (ICES) through BCIT, a member of the Alliance of Credential Evaluation Services of Canada. This agency conducts evaluations for several B.C. universities. They may be contacted at www.bcit.ca/ices. Students are welcome to use any evaluation agency that is a member of the Alliance of Credential Services of Canada.

Mature Students

Some applicants who do not fully meet the academic requirements for admission to the University may be admitted if there are indications of compensating strengths or other factors which would point to probable success in university studies. Such students must be 21 or older and have been out of school for at least one year.

Applicants in this category must have completed a high school diploma or equivalent. Please refer to the previous Canadian Students and U.S. Students sections for more information about the Test of General Education Development and the B.C. Adult Graduation Diploma.

Any U.S. student admitted as a mature student must obtain a high school diploma or its equivalent to be eligible for Title IV funds.

Student Classifications

Traditional (Degree) Studies Student

Regular admission as either a part-time (1 to 11 sem. hrs. per semester) or full-time (12 or more sem. hrs. per semester) student. Students are referred to as being in a particular year of their studies based on the following number of semester hours completed: first year (0-26 sem. hrs.); second year (27-56 sem. hrs.); third year (57-89 sem. hrs.); and fourth year (90+ sem. hrs.).

Global Learning Connections (Continuing Studies) Student

Individuals who wish to register in university courses for up to 9 sem. hrs. in one semester without admission to a degree program or specific program may do so through Global Learning Connections (GLC). Credit courses taken in this program may count towards a degree program upon application and admission to the Traditional (Degree) Studies Program. Students may complete up to a total of 27 sem. hrs. before full application and admission to TWU is required. For information, contact Global Learning Connections. International students must meet the regular university TOEFL, IELTS, or CAEL requirements.

Individuals who desire to take credit and non-credit courses in the areas of (1) Professional Programs, (2) Associate Programs, (3) Summer Sessions, or (4) Special Sessions should register as a GLC student. Admissions and application

procedures are simplified and vary according to programs (see Global Learning Connections section in this Calendar). GLC programs may be held either on campus or as part of an extension program off campus.

Auditor

A limited number of people who wish to enjoy some of the benefits of university study without being required to fulfil the normal requirements of courses taken for credit may enrol as auditors.

In all cases, admission to the University is required, although a simplified admission procedure is used. International students must meet the regular university TOEFL, IELTS, or CAEL requirement. Students may not pre-register to audit a course.

Students wishing to change to audit status in a course must do so within the first two weeks of each semester. Faithful attendance must be maintained by auditors.

Program Specifics

Aviation

In addition to the general University requirements, applicants must also have completed the following with a minimum grade of C+ in each: Mathematics 11 (preference given to applicants with Mathematics 12), Physics 11, and English 12. Physics 12, Computer Science 11, French, or another language are strongly recommended.

Applicants must have completed a Canadian Private Pilot's licence or make arrangements for completion prior to enrolment. Summer courses are offered at Coastal Pacific Aviation for students to complete their Private Pilot's Licence before beginning in the fall. Please contact Coastal Pacific Aviation at 604.855.1112 for more information on summer courses.

Applicants must hold a Licence Validation Certificate showing Transport Canada Category 1 medical.

Applicants must also satisfy an entrance evaluation that includes (an) interview(s), a qualifying exam, and an assessment of references.

The Aviation program starts in September and the application deadline is March 31. Late applications may be considered if space permits. Students must make separate applications to Trinity Western University and to Coastal Pacific Aviation and must be accepted by both for admission to the program. For an application to TWU, call 604.513.2019, 1.888.GO.TO.TWU (468.6898), or admissions@twu.ca. For further information regarding the flight training component and for an application packet, call Coastal Pacific Aviation at 604.855.1112, or visit www.coastalpacific.com. Students also need to complete a separate application to the University College of the Fraser Valley. Contact the Admissions Office for more information.

Nursing

Admission to the TWU Nursing program is limited to 40 students and is granted beginning in the fall semester only. Students applying to Nursing must complete both an application to the University and one to the Nursing program (a separate application and reference). See <http://go.twu.ca>

Admission into the Nursing program is competitive and based upon academic admission requirements, the Nursing application, references, and relevant work and volunteer experience. Applications are reviewed for Nursing admission after the February 28 deadline for the following fall semester. Applications will not be considered until all required components have been received. Late applications will be considered on a space availability basis.

In addition to meeting TWU entrance requirements, admission to the Nursing program requires completion of Grade 12 or GED with a minimum cumulative GPA of B- in Biology 12, Chemistry 12, English 12, and Math 11 with a minimum standing of C+ in each course.

Transfer students from colleges and universities, including TWU, must meet the entrance requirements outlined above. University credits must meet the stipulated minimum requirements within the Nursing program: C in science courses, C average in all other courses, and C+ in any prior nursing credits. Transferring nursing credits into the TWU Nursing program should not be assumed. Courses are considered on an individual basis. Transfer credits do not usually shorten the four years required to complete the TWU Nursing degree.

Admitted students will receive notification by letter and/or a telephone call from their Admissions counsellor. All students admitted to the program must forward a \$500 Nursing deposit by May 1 to confirm their admission into Nursing (in addition to the \$400 admissions deposit). Those who do not make this payment by May 1 will lose their place in the program. This deposit is non-refundable after May 1. Students who meet the entrance criteria but who are not admitted are placed on a deferred admission list. Students from this list may be admitted after May 1 providing there is a place in the program. Applications received after March 15 will be reviewed space permitting.

Personal interviews with Nursing faculty may be required prior to admission to the Nursing program.

Current TWU students who wish to transfer into the Nursing program must pick up an application package from the Nursing Department secretary. Completed application forms and supporting documentation must be submitted by February 28.

Students with English as a second language are required to meet the English Proficiency Requirement as outlined in this Calendar.

Learning Disabilities

Students with a disability who need assistance are encouraged to contact the Equity of Access Office upon admission to TWU to discuss their specific needs. All disabilities must be recently documented by an appropriately certified professional and include the educational impact of the disability along with recommended accommodations.

Within the first two weeks of the semester, students must meet with their professors to agree on accommodations appropriate to each class.

For further information see the Students with Disabilities section in this Calendar.

Application Procedure

Applications for admission are available from the Undergraduate Admissions Office at <http://go.twu.ca>. Online applications are preferred.

All completed paper applications and supporting documentation should be mailed to:

In Canada:

*Trinity Western University Admissions
7600 Glover Road
Langley, BC V2Y 1Y1*

In USA:

*Trinity Western University Admissions
PO Box 1409
Blaine, WA 98231-1409*

Orientation

An orientation program for all new students occurs at the beginning of each semester for the first several weeks. The purpose of the extended orientation program is to assist students in adjusting to university life. During this program, important discussions, instructions, and tests are given, making it imperative for all new students to be present. Contact the Admissions Office for the Orientation dates.

Residence Requirement

Trinity Western University is committed to providing on-campus residence that assists students in personal growth. The University believes that residential living contributes significantly to the development of the total person and his/her persistence in post-secondary studies. To enhance the accomplishment of its mission "to develop godly Christian leaders," the University requires that all full-time (12 or more sem. hrs.) students live on campus for their first two years or until third year standing of at least 57 sem. hrs. is achieved. Automatic exceptions to this policy will apply to anyone who is: married, or living with parent(s)/legal guardian, or at least 21 years of age, or enrolled in part-time studies (11 sem. hrs. or less). Appeals for circumstances not mentioned in the previous exceptions may be submitted in writing to the Housing Office in the Reimer Student Centre *no later than June 1 (fall semester) and October 1 (spring semester)*. Until an appeal is granted the Residence Requirement remains in effect. Students found living outside Trinity Western's Residence Requirement will be seen as not fulfilling the requirements of enrolment and may be required to deregister from the University.

The Undergraduate Admissions Office

Brian Kerr, Director

The Undergraduate Admissions Office provides prospective students and their families with information and resources they need to make a great post-secondary decision. It also provides prospective students with personalized service in a timely and efficient manner.

The Undergraduate Admissions Office services include high school visits, representation at college and career fairs, on-campus visits, individual appointments with Admissions counsellors, and academic advising and pre-

registration for new students. The Undergraduate Admissions Office is responsible for the distribution of all information related to Trinity Western University and its undergraduate programs including applications and the Academic Calendar. The Office serves as a liaison between new undergraduate students and other University offices such as Financial Aid, Enrolment Services, and the Housing Office.

Registration and Enrolment

Pre-registration

New Students

Course selection and scheduling for new students may be completed through the pre-registration program and services provided by the Admissions Office. Details regarding new student pre-registration will be included with the student's letter of admission. Students who do not pre-register will register in person upon arrival at the University.

Current Students

Students currently enrolled at TWU can pre-register for classes in November (for spring) and in March (for fall). Refer to the Calendar of Events for exact dates.

Late registration is permitted until the last day to add a course. However, a fee of \$50 will be charged to students registering after the first Friday of the semester. (See Course Withdrawal Policy and Full Withdrawal Policy below.)

Course Load

Normal course load per semester is 15 to 17 sem. hrs.; the maximum load a student may carry without special permission from a faculty or school dean is 19 sem. hrs., including any combination of courses being taken concurrently at other post-secondary institutions (with the exception of B.Ed. students who may carry a maximum of 21 sem. hrs.).

Course Changes

All course changes made after registration must be handled through Enrolment Services. See Change of Registration section for details.

Academic Advising

An academic advisor will assist each student in the development of his or her program of studies and the selection of courses for each semester while at Trinity Western. (A student may change to an advisor in his or her field once a program is chosen.)

Program of Study

In developing a program of study, consideration should be given to the student's background and special interests as well as to the general course requirements for graduation as outlined in the course requirement section of this Calendar. Of necessity, the course selection for a given semester will depend upon the official timetable of course offerings for that semester. (Some courses are offered in alternate years.)

Students planning on continuing their education at another college or university should exercise particular care in developing a program of study that will meet the requirements of the institution to which they intend to transfer. Such students will still be obliged to meet certain stipulations required of all full-time students, such as 6 sem. hrs. of 100 level English for full-time first year students, IDIS 102 (in the spring semester) for new full-time students (except those with at least 42 sem. hrs. of initial transfer credit), and UNIV 101 for new full-time students (except those with 27 sem. hrs. of initial transfer credit).

Note: It is the sole responsibility of the student to ensure that the courses required for the granting of a degree have been completed satisfactorily. Students are therefore cautioned to be absolutely certain that the number and combination of their courses meet all University and departmental requirements.

Permission to Study Elsewhere

Trinity Western students who wish to pursue studies at other universities or colleges with the intention of obtaining credit toward a degree at Trinity Western must complete a Letter of Permission worksheet available from Enrolment Services prior to their enrolment at another institution. Once the requested courses have been evaluated, Enrolment Services will send a Letter of Permission to the host institution and it will serve as the basis for the student's admission as a special student there. Students are responsible for requesting that an official transcript of their grades be sent from the host institution to Trinity Western.

Note: Application for evaluation does not guarantee TWU Transfer Credit. There is a \$25 processing fee for a Letter of Permission for institutions outside of B.C.

Testing

English Language Competency Examination – Please see Graduation Requirements section.

Math Survey Exam – All students entering Natural and Applied Science programs in Biology, Chemistry, Computing Science, Environmental Studies, Mathematics, or Physics must write a Math Survey Exam during Orientation Week. The exam tests general understanding of math skills, mainly at the Grade 9 to 11 levels and provides an indication of the student's overall ability in math.

Music Placement Test – This test is designed by the Department of Music to measure the knowledge of rudimentary music theory of all students wishing to take courses in music theory or history (not for MUSI 110 Fundamentals of Music or MUSI 150 Music Appreciation). It is not required for students

who wish to participate in applied music courses. This short test covers material equivalent to Grade 2 Rudiments as prescribed by the Royal Conservatory of Music in Toronto.

RELS 101, 102 Challenge Examination – Please see Graduation Requirements section. See Religious Studies department chair for details.

Academic Standing

Scholastic Distinction – To encourage high standards of scholarship at Trinity Western University, the following scholastic honours will be recognized:

1. Full-time students who achieve 3.60 or higher current grade point average are listed on the Dean's List each semester. (Pass/Fail courses do not count toward Dean's List status.)
2. Recognition of high levels of scholastic achievement will be made upon graduation, i.e. great distinction for a cumulative GPA of 3.70 or higher and distinction for a cumulative GPA of 3.30 to 3.69.

Academic Probation – Although Trinity Western University seeks to give all possible assistance and encouragement to students in their academic endeavours, there is, of necessity, a minimum level of achievement that can be considered satisfactory. Those minimum levels as indicated by cumulative grade point averages (GPAs) have been established as a working guideline for the Probation Committee and are subject to the committee's discretion.

*Up to 26 sem. hrs. 1.70 GPA
For 27 sem. hrs. or more 2.00 GPA*

Students below these minimum GPA levels are notified of their status after the completion of each semester, and are encouraged to engage a plan to improve their academic standing. Some of the programs that are made available by the University to assist students in this regard include a Study Skills course and the Choosing to Succeed program. If a student continues to report a very low GPA after several semesters, the University will normally require the student to withdraw. Students seeking permission to continue their studies must direct a request in writing to the Probation Appeals Committee no later than the first day of the month prior to the semester in which they are seeking re-enrolment.

Academic trial for the first semester of attendance may be required for students with a low standardized test score or who have completed an ACE or homeschool program, providing these students with an opportunity to achieve success in university studies. Such students should take SKLS 001 (Study Skills) and will have a reduced academic course load.

Attendance

It is the responsibility of the student to attend all class sessions of courses for which he or she is registered. Responsibility in this sense is intended to include participation in the class discussion as well as receiving the benefits of class lectures and reports. An instructor may bar a student from writing the final examination in any course where

the student has been absent without permission or legitimate cause for more than one-quarter of the classes. Specific regulations regarding attendance in individual courses will be announced in the course syllabus by the faculty member concerned. An instructor may remove a student from the course if the student misses the first two classes.

Chapel Attendance – Although it is optional, students are strongly encouraged to attend daily chapel services as part of their regular schedule of activities.

Change of Registration (Add/Drop) and Withdrawal

A student who wishes to make a change in the program of courses for which he or she has registered must make such changes by the Add/Drop deadline.

1. Adding Courses – Students may add courses, subsequent to registration, until the end of the second week of the semester. All changes must be made through the online registration program. Courses may not normally be added after the second full week of lectures.
2. Dropping Courses – Courses dropped during the first two weeks of classes are not noted on the student's academic record. (See also Graduation Requirements section in the Academic Information chapter: Grading System.) If a student drops all courses, fees which apply to withdrawing students will be assessed.
3. Waitlists - When enrolment in a class has reached full capacity a waitlist will be created. This waitlist allows students to remain in a queue until a space opens in the class. Students are encouraged to switch from a waitlisted class into a class that has available space before the add/drop deadline. All waitlists will be deleted at the add/drop deadline.
4. Withdrawing from Courses – Between the end of the second week and the end of the sixth week of classes, a student who withdraws from a course will be assessed a late course withdrawal fee and will receive a grade of 'W' on his or her permanent record. Signatures of the student's instructor(s) as well as the appropriate faculty/school dean(s) are required. Withdrawal after six weeks is not permitted except in severe extenuating circumstances (as assessed by the Vice Provost); documentation of the severe extenuating circumstances is required. In such cases a WP or WF grade will be assigned by the instructor(s) concerned. There is no tuition refund on withdrawals after week six. Forms for 3 to 6 week and 7 to 11 week withdrawals must be obtained from Enrolment Services. Withdrawal from a course is not permitted after the eleventh week of classes in a semester.
5. Withdrawal from the University – Any student who, after registration, finds it necessary to withdraw from the University should request a withdrawal form at the Student Life Office and obtain signed approvals and releases from various

departments as indicated. The date on which the completed form is submitted to the Student Life Office will be used by Enrolment Services for calculating refunds of tuition and residence fees. The administration of the University may request a student to withdraw from the University at any time for unsatisfactory conduct, for failure to abide by University regulations, or for exceptionally low academic performance. If a student is re-admitted to the University after being deregistered for a period of a year or more, the graduation requirements at the point of re-admission will apply.

Transferability of TWU Courses to Other Institutions

As a fully accredited post-secondary institution Trinity Western University courses are transferable to other post-secondary institutions. Trinity Western University is a full member of the British Columbia Council on Admissions & Transfer, the governing body responsible for transfer agreements between post-secondary institutions within the province of BC.

To determine the exact credit that TWU courses will receive at other post-secondary institutions, students should request an official transcript of their TWU academic record be sent to the receiving institution. Often more detailed course syllabi are required to determine the exact credit to be awarded. Course syllabi are handed out in each class by the instructor but can also be ordered from Enrolment Services.

Maintenance and Protection of Academic Records

Trinity Western University treats all academic records with the utmost respect to preservation and privacy. Safeguards are in place to ensure that TWU academic records are never lost and that privacy is never breached. To this end all TWU academic records are electronically backed up nightly. Each week multiple electronic copies of the TWU academic records are securely stored at off-site locations.

Official Transcripts

Official transcripts of a student's TWU academic record can be ordered online at www.twu.ca/es. All requests will be ready for pick-up or delivery by noon the following business day.

Transcript fees (see Student Fees section) include regular mail service within North America. Courier service within North America or delivery outside of North America is available for an additional fee.

Unofficial transcripts can be viewed online at www.twu.ca/es.

Enrolment Services Office

Enrolment Services is the foremost resource for students' registration and financial account activity. Located in Mattson Centre, Enrolment Services serves students in person and online.
