IT IS YOUR RESPONSIBILITY TO READ THE GUIDELINES!

I have read, understood, and agree to comply with the regulations as stated in the TWU parking guidelines - www.twu.ca/parking

- Students are not permitted to use their parents staff pass—this will result in a parking violation!
- Faculty/Staff "S" permits are **not** valid for Reimer Student Centre underground parking. You must purchase a Faculty/Staff Underground "SU" permit or dispenser ticket to park underground at RSC.
- Faculty/Staff "S" permits are **not** valid in resident reserved lots (Robson underground and Northwest resident).

SPECIAL NOTE: Please ensure you park in a designated Staff lot or stall. The students do notice when a Staff or Faculty member parks in a non-Staff spot. It is very difficult for us to explain to students why they are expected to adhere to TWU Parking Guidelines when Faculty or Staff do not.
