# MEN'S BASKETBALL

## Humanitarian Work in Africa with Hoops4Hope

The TWU Men's Basketball team together with Hoops4Hope will provide the most basic tools that young people need to play basketball and face the many challenges of growing up in communities plagued with poverty, crime, and HIV/AIDS. The team will distribute athletic equipment collected from the Lower Mainland, and run clinics for underprivileged youth. Hoops4Hope provides children with a safe, nurturing environment in which they develop more than just skills for the court, they are empowered to become productive adults, engage in healthy lifestyles, and become leaders.

Please join us in **supporting** the basketball program at Trinity Western University and their humanitarian trip to South Africa by attending the **Basketball Banquet** at NorthView Golf Course, Surrey at 7:00 p.m. Saturday, October 24th, 2009. The event includes a **live and silent auction**.
