ELLEN SCHLAAK '07
LOCATION: ABBOTSFORD, BC

"Taking one or two courses per semester, I obtained a TESOL Certificate and am using these skills to teach in my church's ESL program. It has been so rewarding to teach ESL. I appreciated my professors at TWU, along with their encouragements and availability to discuss real-life teaching situations so that I could become a better teacher."

CHRIS SALMON '07
LOCATION: INDONESIA

"The TESOL Certificate at TWU is outstanding! I learned skills and gained confidence to begin teaching three different classes in Indonesia. This allowed me to forge deep relationships with the people and opened countless doors to share more than just verb tenses; it created relational platforms to speak truth into people's lives. TWU's program allowed me to enter a foreign country with professional integrity."
