

Why meet with a Career Advisor?

- Examine life calling to identify career options and majors.
- Explore your values, interests, personality and skills as they relate to majors and career decisions.
- Learn how to gain practical experience through internships, externships, co-ops, volunteer work, student leadership...
- Get help with resumes, cover letters, interviewing techniques, and job search strategies.
- Gain insight of how to research your options and make informed career decisions.
- Explore how to apply your education and skills in the world of work.
- Develop an achievable career plan.
- Gather information about how to prepare towards graduate and professional school.

How it works:

1. Call or stop by the Student Success Centre to schedule an appointment. 604-513-2017
2. Meet with a Career Advisor and work together to answer your questions about majors, careers and/or grad school, and create a plan.
3. Arrange a follow-up appointment if needed.
