

NURSING NETWORKING CAFE

## Dialoguing in response to Medical Assistance in Dying Legislation

You are warmly invited to join the TWU “community of nurse scholars” to discuss nursing implications of the recent Medical Assistance in Dying legislation (Bill C-14). The cafe will feature a dialogue that will be co-facilitated by 4 of our faculty members: Sonya Grypma, Sheryl Reimer-Kirkham, Lynn Musto and Kelly Schutt. In addition to a brief background to the legislation and nurses’ involvement, we will discuss the ethical principles that guide nurses in relation to MAiD, and explore the everyday application of these principles in nursing practice and nursing education.

**November 22, 2016**

6:45 - 8:30 PM

Graduate Collegium

Fosmark Building

Trinity Western University

7600 Glover Rd.

Langley, BC
