2017 FALL WORKDAY

On October 14th we're sending out 700+ students to serve the local community! Projects could include gardening, moving, painting, and so much more!

Call 604-513-2121, email workday@twu.ca or visit twu.ca/workday if you or someone you know is interested in receiving a team of volunteers!

All our work is totally free, we simply ask that you provide any necessary tools for the job. Please tell friends, neighbours, and loved ones!
