TWU Course Workload Policy:

Three-credit hour courses assume 36-39 hours of in-class work (other than tutorials or labs) and 75-100 hours of work outside of class hours. Courses utilizing non-traditional modes of learning should reflect similar workloads. In courses with a lab or tutorial component, the work done in the lab or tutorial may be viewed as part of the work required outside of class hours, depending on the discipline and the nature of the work.

** For single-day classes with 11 meetings, instructors are required to add an additional 15 minutes to each session. For classes with 24 meetings, instructors are required to add the equivalent of one additional class during the semester.
