A note on my references. Gordon Heath and Lee Beach were colleagues at McMaster Divinity College. Since we worked together from 2006 to 2023, they can provide a detailed assessment of my teaching (e.g., I co-taught foundational courses in Theology and Church History with Gord Heath for several years), role as a colleague, abilities for academic leadership, and scholarship (e.g., Lee Beach and I worked collaboratively on a research project that spanned several years and involved extensive travel). Amos Yong is a colleague and scholar who can speak about my academic and professional work and reputation. Heather Lohmolder is a professor of Business at the Portland campus of Jessup University. She can provide an interdepartmental perspective on me as a colleague.
