

LETTER OF PERMISSION APPLICATION FORM

Current TWU students must submit and get approval for a Letter of Permission **prior** to enrolling in any courses outside TWU. LOP applications are approved on a case-by-case basis and usually take 2-4 weeks to be processed. Please read carefully the LOP restrictions and procedures at [TWU Transfer Credits](#) before submitting this application.

After a permission is granted, you need to seek approval of the Host Institution to register for the courses. To complete the transfer, you must:

- obtain a grade of D (53%) or better for each course, unless otherwise specified by department requirements (see [Academic Calendar](#) for details).
- Must have an official transcript sent to Admissions at TWU upon completion of the course.
- Must complete any approved courses within ONE YEAR of approval or re-submit a LOP application. Reapprovals are not guaranteed.
