Section 2: Maintaining Eligibility

1. PLUS Loan Limits: Direct PLUS Loans are unsubsidized. Loans disbursed on or after July 1, 2025 and before July 1, 2026 have an **interest rate of 8.94%**. This is a fixed interest rate for the life of the loan.

The maximum PLUS loan amount you can borrow is TWU’s cost of attendance minus any other financial assistance your dependent receives - up to a maximum of \$20,000 USD per year (\$65,000 USD lifetime limit)

The interest rate on Undergraduate Direct Subsidized/Unsubsidized Loans is 6.39%, and 7.94% for Graduate Unsubsidized Direct Loans. The TWU Financial Aid Office strongly recommends applying for a Direct Subsidized/Unsubsidized Loan first and supplementing it with a PLUS loan if additional funding is necessary.

2. Program Eligibility: The following TWU programs are ineligible for the Direct Loan program:

- ACTS Seminaries programs
- Business (MBA – Non-Profit & Charitable Organizations)
- Business (Executive MBA)
- Certificate and non-degree programs
- Educational Studies - Special Education (MA)
- Nursing (BSc, MSN & PHD)
- Leadership (BA, MA)
- Linguistics (BA, MA)
- Northwest Baptist Seminary programs
- Psychology (Degree Completion program)
- Online programs
- Online courses, correspondence courses, directed and independent studies courses
- Internships, with exceptions being teacher placements and counselling placements
- Programs offered in other locations other than the Langley campus are not eligible for Title IV funding
- Study Abroad Program: Through the CCCU GlobalEd program, TWU students can study for one semester abroad at another institution. Please note students are not eligible for Title IV funding when enrolled in a GlobalEd study abroad program.

3. Registration: Undergraduate students must be registered in a minimum of 6 semester hours at TWU to qualify for the Direct Loan program. Graduate students must be registered in a minimum of 5 semester hours. Courses taken at other institutions will not be considered when reviewing registration requirements.

4. Ineligible Courses: Online courses, correspondence courses, distance education courses and directed studies are all ineligible for Direct Loans.

It is the student's responsibility to enrol in eligible programs, and to be familiar with Federal Student Aid eligibility requirements for foreign schools. If your dependent has an ineligible course on their TWU record going towards their current program, they are ineligible for any future Direct Loan funding. If an ineligible class is added during a current loan period, they will be required to pay back the disbursement.

Practicums and internships are also ineligible, with classroom placements in the Education program being the exception.

5. Satisfactory Academic Progress: The US Department of Education requires institutions of higher education to establish minimum standards of satisfactory academic progress for students receiving federal student financial assistance. Satisfactory Academic Progress (SAP) means that a student is steadily progressing in a positive manner toward the fulfillment of degree requirements. As such,

students are required to maintain a minimum GPA of 2.0 (3.0 for graduate students) and pass a minimum of 67% of courses attempted.

For more information, see the Satisfactory Academic Progress Policy, available on TWU's U.S. Direct Loan page.

6. Withdrawal – Return of Title IV Funds (U.S. Federal Direct Loan Funds): Students are required to notify TWU of their intent to cease attendance or of their intent to withdraw all classes prior to completing 60% of the disbursement period. Should the U.S. Department of Education require TWU to return all or a portion of the Title IV funds disbursed during the incomplete semester, TWU may withdraw the funds required from the withdrawn student's TWU student account.

For more information, refer to TWU's Title IV Withdrawal Policy, available on TWU's U.S. Direct Loan page.

7. Programs Located in the United States: Programs or courses offered by foreign institutions that are – in whole or in part – located in the United States are not eligible for participation in the Direct Loan program. Students will no longer be eligible for any Direct Loan funding towards the same TWU program if they partake in any research, internship, externship and/or special studies in the United States.

8. Exchange/Study Abroad: Exchange/study abroad terms are not eligible for Direct Loan funding.

9. Changes/Updates to Information: It is students' responsibility to notify TWU's Financial Aid Office of any changes to their financial, marital or residency status. Additionally, students are required to keep up-to-date contact information with other offices of TWU, the U.S. Department of Education and their loan servicer.
