ANTICIPATED IB GRADES FOR TWU

Students in the IB diploma program at your school may qualify for earlier admission to TWU based on their anticipated IB results. Admission will take into consideration the anticipated grades in both individual subjects and additional points for essays and TOK. As well, students will need to have the prerequisite courses that are required for the specific program they are applying to. Along with this form, please submit a report card showing Grade 12 courses completed and grades, and courses in progress (including IB courses).

If you think any of your students may qualify for admission to TWU based on their IB diploma results, please complete and return this form to TWU. This form should only be completed for students who have applied to TWU.

Student: _____ **Birthdate:** _____

SUBJECT <small>(in alpha order if possible)</small>	LEVEL <small>(S or H)</small>	ANTICIPATED GRADE <small>(indicate [F] if grade is final)</small>	TEACHER/COORDINATOR SIGNATURE
