

Nursing Networking Cafe

Historical and Global Lessons: Nursing Education in Taiwan

*Trinity Western University School of Nursing is hosting a series of Nursing Networking Cafés for nurses to gather together in a collegial environment to discuss topics of interest. We anticipate that the Cafes will be especially appealing to TWU nursing alumni, graduate students, and other nurses in the region who want to be encouraged about **the profession of nursing**.*

We hope you are interested in joining us!

Our speaker, **Susan Martens Kehler**, has an inspiring history to share about her years at the Mennonite Christian Hospital Nursing School (1957—1980) in Taiwan. She has authored a

book, *Journey of Many Steps*, about the history of the School, lives in Abbotsford with her husband, and has been an enthusiastic supporter of the Nursing Networking Cafes.

Dr. Sonya Grypma will offer a commentary about the relevance of nursing history to the nursing profession today.
