THE MISSION OF TRINITY WESTERN UNIVERSITY

"As an arm of the Church, to develop godly Christian leaders: positive, goal-oriented university graduates with thoroughly Christian minds; growing disciples of Jesus Christ who glorify God through fulfilling the Great Commission, serving God and people in the various marketplaces of life."

Since our first days in 1962, Trinity Western has held a unique vision for delivering an academically excellent liberal arts and sciences education within the context of a Christ-centered community.

What we are most proud of is our diverse alumni community—who, in all walks of life, are the embodiment of our mission, as they positively impact the lives and communities they serve.

We have grown to become the largest faith-based university in Canada and one of North America's premier Christian universities, offering a full range of undergraduate degrees (87) and graduate degrees (19), as well as professional schools in business, education, human kinetics, nursing and the arts, media and culture.

We are driven by a deep desire to equip you to find and fulfill your purpose, by helping you discover your passion and develop it into a profession. So you too can live a fulfilling life of positive impact and meaning.

“I learn from students and they learn from me. It’s great to watch them grow and develop. I love having an impact on their lives because I know they’re going to have an impact on other people’s lives. It has an exponential effect.”

Blair Whitmarsh, Ph.D.
Dean and Professor, School of Human Kinetics

“The purpose of a university education is to question and to think. But to be able to do that within a faith structure, in a supportive environment, is very empowering for students.”

Holly Faith Nelson, Ph.D.
Department Chair and Professor, English

WHERE WILL YOUR JOURNEY LEAD?

“I see Christians critiquing culture from the bleachers. I love being in the thick of things, being called to go into those dark places that don’t have Jesus. We shouldn’t be scared of doing that.”
